

Message from Dr. Arlan W. Fuhr

Every year, Activator Methods International is proud to present the latest in research, reliability and results at the Parker Seminar in Las Vegas. This year, we will be unveiling a new program that will deliver the perfect combination of education and innovation to our doctors, students and partners. We encourage you to visit us at Parker to learn more – our Activator Methods booths are located at spaces 721, 723, 820 and 822. I look forward to seeing you this month in Las Vegas!

Activator to showcase research-based products at Parker

This year at Parker, Activator Methods is showcasing a series of products and services, all based on the Activator Method Chiropractic Technique, the only instrument technique supported by clinical trials. And those who utilize the Activator Method have great confidence in the world's most widely-used instrument technique because it is based on research that proves its efficacy.

The company's latest innovation, which will change the way doctors train on the Activator Method, will be introduced during the three-day gathering of the world's foremost chiropractic experts. To learn more, visit the Activator Methods booth at Parker or go online to www.activator.com and click on "Research Info" to find out how the Activator Method is proven to bring relief to patients.

Dr. Arlan Fuhr to speak at Parker

Co-founder and CEO of Activator Methods, Dr. Arlan W. Fuhr, will be speaking at the Parker seminar in Las Vegas on Friday, Jan. 16, 2009 at 4 p.m. The title of his presentation is "Clinical Competency Builds Your Practice," with remarks focused on how clinical excellence through consistency and standardization influences the development of a successful practice.

With more than 40 years of experience of providing reliable patient care using the Activator Method Chiropractic Technique, Dr. Fuhr will share his expertise and discuss the real-life experiences that have helped him achieve success.

See the Activator Method in action at Parker

Visit the Activator Methods booth at Parker and learn about the benefits of the Activator Method first-hand. Activator doctors will provide demonstrations of the instrument-based technique, so Parker attendees can experience an adjustment and feel the positive results for themselves.

Activator experts will also be at the booth to discuss the many products and services offered by the company to support the technique. And if you can't attend Parker, visit www.activator.com to find an Activator doctor in your area or to learn about how you can get results from the Activator Method.
